Topics

Communication Engineering

- Communication Networks
- Wireless Communications
- Mobile Communications
- Infrastructure for Next Generation Networks
- Information & Communication
- Visual Arts & Visual Communication Design
- Information Technology Application
- DSP Algorithms & Architectures

Image Processing

- Radar Image Processing
- Sonar Image Processing
- Image Acquisition
- Image Coding and Compression
- Image/video Coding and Transmission
- Medical image processing
- Image/Video Processing
- Image Scanning, Display, and Printing

Signal Processing

- Digital Signal Processing (DSP)
- Optimization for Estimation & Modeling
- Signal Analysis for Big Data
- Time-Varying Signal Processing
- Adaptive Filtering & Restoration
- Array Signal Processing
- Hardware Implementation for SP
- Q & A System and Speech Retrieval
